Following is the report of the Sen ate County Committee on the bill to create a County Surveyor:

The Special County Committee has had under consideration Senate BUI No. 50, entitled "An act to create the office of County Surveyor for Counties in the Territory of Hawaii, and to fix their duties and compensation, and recommends that the bill be laid upon the table.

There are some features of the bill which would seem to be desirable, but the sum of \$2851.30. This order stands, ing. we believe that it would be premature to attempt now to carry out the somewhat elaborate provisions of the somewhat elaborate provisions of the bill. The object is not only to have a surveyor who could do work for the count of the fact that Fullerion had Hoard of Supervisors but to make invested the funds of his trust in a surveys ordered by the court and upon application of citizens. The bill worthless. on application of citizens. The bill also provides for preserving copies of all maps and surveys with books of ecord and notes and data with copies, plate or tracing of all maps filed and that all such documents and records shall be open to inspection by all persons.

It may be at a later time when County Registry offices are established that it will also be well to provide shows the necessity of cannon says, Survey Offices for the several Counties, but at present it seems to the suitable. But nevertheless, the stationary of the several counties, but at present it seems to the suitable. But nevertheless, the stationary of the several counties of t committee not expedient to attempt
